

Madison Youth Sports Code of Conduct

Baseball Commissioner

We, the Parks and Recreation Authority, have implemented the following Youth Sports code of Conduct for the important message it holds about the proper role of parents, coaches, commissioners and officials in supporting children in athletics. Please read, understand and keep this form prior to any involvement in Parks and Recreation activities. Any person guilty of improper conduct at any game or practice will be asked to leave the facility and be suspended from the following game. Repeat violations may cause a multiple game suspension or season forfeiture of attending all games and/or practices.

Commissioners

I therefore agree:

1. I will remember that the children participate to have fun and learn valuable skills and the game is for the youth and not the adults.
2. I will learn the rules of the sport and the policies of the league and ensure the coaches do as well.
3. I will be a positive role model for the sport and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all involved in the activity.
4. I will not engage in any kind of unsportsmanlike conduct with any official, coach, player or parent.
5. I will not allow coaches that encourage behaviors or practices that would endanger the health and wellbeing of the athletes.
6. I will ensure the coaches understand the rules and help them resolve conflicts without resorting to hostility or violence.
7. I will demand my coaches treat all players, opposing coaches, officials and spectators with respect.
8. I will refrain from ridiculing or yelling at coaches when problems arise.
9. I will encourage coaches focus skill development and practices and how they benefit the children over winning.
10. I will respect the officials and their authority during games and will never question, discuss or confront coaches or officials at the game field. I will take time to speak with coaches or officials at an agreed upon time and place.
11. I will demand a sports environment that is free from drugs, tobacco and alcohol and will refrain from use at all practices and events.
12. I will ensure that coaches understand that children are given equal playing time during events, regardless of skill level or outcome of games because the sport is about the development and experience of the players.
13. I will refrain from using social media to voice complaints or frustrations.
14. I understand that I am required to undergo a background check prior to working with the children.
