

Madison County Parks and Recreation

October will be a busy month here at Hoover Ridge Park! We will be kicking off the month with two Movies in the Park events, followed by our Haunted Woods at Hoover Ridge!

On October 12, we will feature Disney's live remake of *Aladdin*. The event area will open at 7:00pm with the movie beginning around 7:45pm.

On October 19, HalloweenFest begins at Hoover Ridge! Before the showing of *Hocus Pocus*, we will have our first-ever costume contest! More information on categories is posted on our Facebook event page and on our website. The event area opens at 5:30pm and the costume contest will begin at 6:00pm. Winners will be announced just before the movie. The event is free for all, and we will have free popcorn available.

Our Haunted Woods of Hoover Ridge returns on

Saturday, October 26. This popular event attracts guests from all over central Virginia! We've even decided to change it up this year and have been working on a new trail. The event is open beginning at 5:00pm for children, who will receive candy along the way. Please note that while our volunteers will not be scaring children, their costumes or themes may be scary!

The full Haunted Woods experience begins at 7:30pm. The cost is \$10 per person, per trip. We will have concessions available and free hayride.

Project Updates

Over the past year, there have been several ongoing projects here at Hoover Ridge.

The H5 Renovation Project, soon to be the home of MCHS softball, is nearing completion. Walkways and installation of bleachers around

the field, as well as drywall and flooring inside the press box should be completed this month. With HVAC, plumbing, insulation, and electricity installed over the summer, this renovation will bring a much-needed facility upgrade for our high school girl's softball program!

Our concession stand/restroom project is moving along! All of the siding has been installed, and drywall in the interior should be completed in the next couple of weeks.

Website upgrades

At the end of August, we upgraded our website to take online payments. We can now take rental payments, team registration payments for volleyball, and camps/clinics payments online. We can even accept donations online!

We have also added a page where you can sign up to volunteer for our events. We are so very fortunate to have enough people in our community make this page necessary! Thank you for your continued support of Madison County Parks and Recreation Authority!
